

SOSI is back in person at WLU & online

Student Institute Aug. 7–12, Teacher Development Aug. 6–14, 2022

See you at Canada’s Biggest Institute!

All your favourite in-person activities are back, like orchestras, chamber music, and in-person concerts! And for those of you who can’t come to Waterloo, ON, Canada, we will still have programs online as well. Adults can sign up for any of the regular programs, too! Some people call this a Hybrid. We call it Great!

STUDENT INSTITUTE

Complete range of comprehensive student programs in piano, violin, viola and cello (adults welcome, too!). Master classes, group classes, piano ensembles, chamber music, three levels of string orchestras, and many optional classes, including Operetta! Workshops in Body Mapping and Music Technology. Faculty concerts, student recitals and more! We even have a Mini Institute program for first timers.

YOUNG ARTIST PROGRAM

Open to senior students of violin, viola, cello and piano, these master classes provide instruction with a view towards traditional music college/university teaching while maintaining roots in Suzuki philosophy and pedagogy. Our string instructors are members of the world-renowned **Penderecki String Quartet**. Video auditions are due May 1st.

TEACHER DEVELOPMENT

IN PIANO, VIOLIN, VIOLA, CELLO & BASS
Great Teacher Development courses in person and online. Plus there are special teacher development offers available for teachers. Teachers are welcome to come and observe lessons and groups at no cost if they have students enrolled, and for each student they have registered, they can get a deduction in their teacher training tuition!
