7 pm **Manual For Musicians: A Guide To Injury Prevention and Healing with Arun Pal (ON) – M2001**
Each Instrument has unique characteristics in terms of how it is played. The instrument can affect the posture of the student/performer; it can impact the mechanics of how one's body moves and which muscles, joints and connective tissue are used and activated. For example, pianists have a much different balance in how their body is used compared to violinists, cellists, guitarists and other string instruments.
Cost: \$50 CDN

Arun is also a Registered Massage Therapist and will offer individual massage sessions for adults during the week for a fee. To register for the Workshop, please email info@mysosi.ca
